7	 Technical drawing of a long rectangular profile. On the left, a cross-section shows a U-shaped profile with a central slot. To the right, a side view of the profile is shown with a dimension line indicating a length of 823.60.
8	 Technical drawing of a short rectangular profile. On the left, a cross-section shows a U-shaped profile with a central slot. To the right, a side view of the profile is shown with a dimension line indicating a length of 168.00.
9	 Technical drawing of a rounded rectangular profile. On the left, a cross-section shows a U-shaped profile with a central slot. To the right, a side view of the profile is shown with a dimension line indicating a height of 787.00 and a width of 456.00. The top right corner is labeled R80.00, indicating a rounded corner with a radius of 80.00.

10	Technical drawing of a profile. The drawing includes a cross-section on the left and a side view on the right. The side view shows a horizontal profile with a total length of 793.60. A dimension of 12.00 is shown for the top flange height. A dimension of 11.30 is shown for the bottom flange height. A dimension of 30.00 is shown for the bottom flange width. A dimension of 711.00 is shown for the main body length.
11	Technical drawing of a profile. The drawing includes a cross-section on the left and a side view on the right. The side view shows a horizontal profile with a total length of 690.00. A dimension of 692 is shown for the main body length.
12	Technical drawing of a profile. The drawing includes a cross-section on the left and a side view on the right. The cross-section shows a profile with a top flange height of 21.50 and a bottom flange height of 26.50. The top flange has a radius of R1.50 and the bottom flange has a radius of R0.50. The angle between the top and bottom flanges is 174.9°. The side view shows a horizontal profile with a total length of 823.60.
